ABOUT TRINITY COLLEGE LONDON

Trinity College London is a leading international exam board and independent education charity that has been providing assessments around the world since 1877. We specialise in the assessment of communicative and performance skills covering music, drama, combined arts and English language. With over 850,000 candidates a year in more than 60 countries worldwide, Trinity qualifications are specifically designed to help students progress. Our aim is to inspire teachers and learners through the creation of assessments that are enjoyable to prepare for, rewarding to teach and that develop the skills needed in real life.

At the heart of Trinity's work is the belief that effective communicative and performance skills are life enhancing, know no boundaries and should be within reach of us all. We exist to promote and foster the best possible communicative and performance skills through assessment, content and training that is innovative, personal and authentic.

Welcome

Welcome to Trinity College London's syllabus for digital graded exams in classical and jazz instruments, containing details of solo exams from Initial to Grade 8.

The digital graded exams enable candidates to record their pieces/songs and technical work at a place and time of their choice and then submit the video recording via our online platform to be assessed by our expert examiners. The exams have the same academic rigour as our face-to-face exams, and candidates gain full recognition for their achievements, with the same certificate and UCAS points awarded as for the face-to-face exams.

Designed for digital

Responsive to a changing world, these exams have been designed to support teaching, learning and assessment through a digital medium.

Your performance, your choice

Sitting alongside our face-to-face graded exams, digital exams provide even more choice and flexibility in how a regulated graded qualification can be achieved.

Digital support content

Comprehensive online resources provide support to candidates and teachers throughout their digital exam journey.

IMPORTANT INFORMATION

1. This syllabus should be read alongside the instrument-specific syllabuses, which list the pieces/songs for the grades.
2. To take this assessment you must have access to:
 - ▶ A high-quality audio-visual recording device with enough storage for your performance (eg a good quality mobile phone, tablet, laptop or video camera)
 - ▶ The internet – to upload your performance video and supporting files
3. Technical work requirements are provided in the separate technical work documents at trinitycollege.com/digital-cj-grades. Candidates can choose from groups of technical work which must be performed as part of the exam video submission.
4. For syllabuses that require technical work to be played from memory, you must close your music book and set the music stand aside. You may use a list of the requirements but you must hold this list up to the camera before placing it on the music stand. Please refer to the guidance on the technical work documents at trinitycollege.com/digital-cj-grades
5. All performances must be submitted as one continual performance (this includes all pieces/songs and technical work). Start the recording before your first piece/song, and do not stop or pause the video until you have completed all parts of the assessment. Any evidence of editing will result in a syllabus infringement and your exam will not be assessed.
6. You can be given assistance to film your performance, and another person can be present as an accompanist or to operate your backing tracks (if applicable). A count-in at the start of a pre-recorded track is permitted. However, indications of pulse, verbal or non-verbal entry cues during the pieces or technical work, or the playing of an additional instrument will result in a syllabus infringement. The exception to this is where candidates would prefer a verbal prompt when performing the technical work. See the technical work information documents at trinitycollege.com/digital-cj-grades for further information for each instrument.
7. Audio and video must be recorded simultaneously and no pre- or post-production techniques should be applied. A single external microphone may be used but multiple microphone set-ups are not permitted.

OBJECTIVE OF THE QUALIFICATIONS

Trinity's graded music exams provide a structured yet flexible framework for progress, which enables learners to demonstrate their own musical personality and promotes enjoyment in music performance.

The exams assess performance and technical ability through practical assessment. They offer learners of any age the opportunity to measure their development as performers against a series of internationally understood benchmarks, taking them from beginner level to the point where they can progress to higher education in music, or enter for Trinity's performance diplomas.

HOW TO ENTER

Please refer to:
trinitycollege.com/digital-cj-grades

WHO THE QUALIFICATIONS ARE FOR

Trinity's graded music exams are open to all learners, with no age restrictions or other limitations. There is no requirement to have passed lower grades, theory exams or other qualifications, although the grades represent a system of progressive mastery and the outcomes for each level assume confidence in the requirements of previous grades.

Repertoire selection and other exam content is designed to appeal to learners of all ages and backgrounds, reflecting the diversity of candidates.

Trinity is committed to making its exams accessible to all, and each candidate is treated individually when considering how assessments can be adapted for those with special needs. Find more information at trinitycollege.com/music-csn

ASSESSMENT AND MARKING

Trinity's graded music exams are assessed by external examiners trained and moderated by Trinity. Examiners provide marks and comments using the assessment criteria on pages 18-23.

The exams are marked out of 100. Candidates' results correspond to different attainment levels as shown in the next column.

Mark	Attainment level
87-100	DISTINCTION
75-86	MERIT
60-74	PASS
45-59	BELOW PASS 1
0-44	BELOW PASS 2

See pages 16-23 for further information about how the exams are marked.

DURATION OF STUDY (TOTAL QUALIFICATION TIME)

All regulated qualifications are assigned a total qualification time. This should be used as guidance only. Total qualification time is an estimate of the average time a candidate spends with a teacher (guided learning hours) added to the average time spent learning independently. It is recognised that the amount of time needed to commit to a qualification will be dependent on each individual's level of experience.

	Guided learning hours (GLH)	Independent learning hours (ILH)	Total qualification time (TQT) (hours)
Initial	8	32	40
Grade 1	12	48	60
Grade 2	18	72	90
Grade 3	18	102	120

Grade 5	24	156	180
Grade 6	36	184	220
Grade 7	48	222	270
Grade 8	54	266	320

RECOGNITION AND UCAS POINTS

Trinity College London is an international exam board regulated by Ofqual (Office of Qualifications and Examinations Regulation) in England, CCEA Regulation in Northern Ireland and by Qualifications Wales. Various arrangements are in place with governmental education authorities worldwide.

In the UK, Grades 6-8 are eligible for UCAS (Universities and Colleges Admissions Service) points for those applying to colleges and universities, as follows:

WHERE THE QUALIFICATIONS COULD LEAD

While for some learners graded music exams represent a personal goal or objective, they can also be used as a progression route towards:

- ▶ Diplomas in performing and teaching offered by Trinity or by other awarding organisations
- ▶ Music courses at conservatoires and universities, for which Grade 8 is often specified as an entry requirement
- ▶ Employment opportunities in music and the creative arts

Pieces/songs

CHOOSING PIECES/SONGS

- ▶ Candidates perform pieces or songs chosen from the repertoire list in the current Trinity syllabus for their instrument.
- ▶ For some instruments and grades, pieces/songs are divided into groups A and B, while for others, candidates may choose pieces from a single list. Please refer to the relevant graded syllabus for full requirements relating to piece selection.

PERFORMANCE AND INTERPRETATION

- ▶ Please refer to the relevant graded exam syllabus.
- ▶ The use of metronomes or other timekeeping assistance is not allowed.

INSTRUMENTS

- ▶ Please refer to the relevant graded exam syllabus.
- ▶ In the event of a local or national lockdown we understand that candidates may have restricted access to appropriate instruments. Please refer to the '**Covid-19 special arrangements for digital music exams**' document on our website for guidance on alternative arrangements.

SUPPORTING DOCUMENTS

There is a section on the online portal to allow you to upload any supporting documentation.

- ▶ Download and fill in the submission information form (available at trinitycollege.com/digital-cj-grades) with full details of your pieces/songs.
- ▶ If you are not playing from a Trinity graded music exam book, or are performing your own composition, you must also upload scanned copies or photographs of those pieces.

ACCOMPANIMENT

- ▶ Please refer to the relevant graded exam syllabus for requirements relating to accompaniment and backing tracks.
- ▶ Pieces/songs which are published with accompaniment may not be performed unaccompanied (except in the case of local or national lockdown – see below).
- ▶ The accompanist does not need to be in shot during the filming of the performance.
- ▶ In the event of a local or national lockdown we understand that it may not be possible to perform with an accompanist. Please refer to the '**Covid-19 special arrangements for digital music exams**' document on our website for guidance on alternative arrangements.

MUSIC AND COPIES

- ▶ We publish selected pieces for many instruments in our graded music exam books. Recommended editions for other pieces are listed in the graded exam syllabuses, but candidates may perform from any reliable edition which has not been shortened or otherwise simplified. Editions containing inauthentic performance directions are not acceptable. If a particular edition must be used, this is indicated in the syllabus. Product codes for publications are included where available.
- ▶ We take copyright infringement seriously and require candidates to ensure their music comes from a legitimate source. Guidelines are available in the UK Music Publishers Association's **Code of Fair Practice**, available at mpaonline.org.uk. Candidates must comply with copyright and other intellectual property laws in the country where the exam is taking place.

OWN COMPOSITION

- ▶ Candidates can choose to perform an own composition as one of their pieces. Own composition pieces will be assessed in the same way as the listed repertoire. Marks are not awarded for the quality of the composition.
- ▶ Own compositions must be comparable in technical and musical demand to the pieces listed for the same grade. Examples of optional compositional techniques that may be used at each level are listed in graded syllabuses.
- ▶ Own compositions should be candidates' own unaided work, although teachers may offer guidance as necessary.

OBTAINING MUSIC FOR THE EXAM

- ▶ All publications listed in graded exam syllabuses can be ordered at trinitycollege.com/shop or your local music shop.
- ▶ Trinity publishes repertoire and technical work books for many instruments for which graded exams are offered.
- ▶ Trinity cannot guarantee that music will always be in stock with local suppliers. Candidates and teachers should always check with the publisher before it is assumed that any item has gone out of print.

Technical work

REQUIREMENTS

- ▶ Candidates perform a selection of technical work appropriate to their instrument and grade.
- ▶ Please refer to trinitycollege.com/digital-cj-grades for the relevant requirements.
- ▶ The format of the technical work section is the same as in a face-to-face exam, but the list of requirements is smaller than in the equivalent graded exam syllabus.
- ▶ In the case of scales & arpeggios, candidates select one of two defined groups, rather than playing the full list from the equivalent syllabus. This reflects the process in face-to-face exams where examiners ask for a selection of the requirements from the syllabus.
- ▶ In the case of studies, exercises and orchestral extracts, candidates perform the same number of items as they would in a face-to-face exam.
- ▶ More information on the selection of items is available at trinitycollege.com/digital-cj-grades

PERFORMING FROM MEMORY

- ▶ Some requirements must be played from memory, while for other requirements candidates can use the music.
- ▶ If the syllabus requires you to play your technical work from memory, before you begin you must close your music and set the music stand aside. You are allowed to refer to the requirements on a sheet of paper, and this must be shown to the camera before you begin. Please refer to the relevant technical work requirements at trinitycollege.com/digital-cj-grades
- ▶ It is permissible for another person to provide verbal prompts for candidates while playing the technical work. They must announce the requirement, but must not provide any other help or prompt. Please refer to the instructions at the front of the technical work information documents at trinitycollege.com/digital-cj-grades

SUPPORTING DOCUMENTS

- ▶ If there is a choice of technical work for your instrument and grade, detail your selections on the submission information form (available from trinitycollege.com/digital-cj-grades).

Submitting your exam for assessment

Please read the following closely before you submit your video performance to our online platform via trinitycollege.com/digital-cj-grades:

- ▶ Play back your video to ensure that the sound and visual quality is sufficient for an examiner to mark it.
- ▶ Ensure your video is one continuous recording of all your pieces and technical work from start to finish, and you have not edited this into different sections or paused or stopped the video at any point.
- ▶ Only submit one take of your performance.
- ▶ Audio and video must be recorded simultaneously and no pre- or post-production techniques should be applied. A single external microphone may be used but multiple microphone set-ups are not permitted.
- ▶ **Your files should be labelled with your name, subject and grade, for example: ForenameSurname_Classical(Instrument)_Grade(Number).**
- ▶ Upload your completed submission information form (available at trinitycollege.com/digital-cj-grades), detailing your chosen programme and technical work selections.
- ▶ If applicable, remember to upload a scan or photograph of pieces that are not from published Trinity graded music exam books (including own compositions, alternative pieces and instruments where Trinity graded music exam books are not published).
- ▶ Do not delete your performance video until you have received your feedback and certificate, just in case there are any technical issues and you are required to resubmit.
- ▶ Your books/legally downloaded copies must be in shot when you film your performance. Please make sure they will be visible to the examiner so that they can confirm that you are playing from a legal copy – even if you choose to perform from memory. In the case that you have purchased a digital copy and are playing from a tablet or eReader, please show the copy on screen to the camera, ensuring that the watermark is clearly legible, so the examiner can confirm the purchase.
- ▶ Full details of how to film your performance, what should be in shot and how to upload your files can be found at trinitycollege.com/music-filming-guidance
- ▶ You are allowed to have someone filming your performance, and another person can be present as an accompanist or to operate your backing tracks (if applicable). A count-in at the start of a pre-recorded track is permitted. However, indications of pulse, verbal or non-verbal entry cues during the pieces or technical work, or the playing of an additional instrument will result in a syllabus infringement.
- ▶ You may not enter the same performance video for the same exam more than once, unless Trinity requires you to resubmit your video.
- ▶ You may not use the video from your original entry for any other Trinity exam entries.
- ▶ We strongly advise candidates not to share their performance videos online. Pieces in the music and drama syllabuses are under copyright, and many of those rights are not owned by Trinity. Trinity only has the required permissions for usage of these pieces in TCL Press published books and in relation to Trinity exams. As such, if you would like to share your videos online, you should apply to the copyright owner(s) to obtain synchronisation licences. Any candidate sharing performances of copyrighted material will be personally liable for any breach of copyright law.

Marking

HOW THE EXAM IS MARKED

Examiners give comments and marks for each section of the exam up to the maximums listed in the table on page 11.
